The [Worldwide Foundation of Credit Unions](#) has sent financial aid to refugees of the Russian invasion of Ukraine and plans to follow it with more.

Everybody needs help sometimes

and Displaced Ukrainian Credit Union Members need our help NOW!

People are our most important blessing in this life. Preserving Democracy is a close second. Providing support to both through the Ukrainian Displacement efforts meets the credit union mission of people helping people.

Newrizons FCU will match all member donations (up to a total of \$3,500).

If you give \$10, Newrizons also gives \$10 in your name. Your \$10 donation sends \$20 to the
Worldwide Foundation of Credit Unions' Displaced Ukrainian Credit Union Members Fund.

Our goal is to send at least \$7,000 or more to Displaced Ukrainian Credit Union Members.

Please help, no amount is too small or too big - even a few pennies turn into big dollars when everyone gives a little.

Consider using *DEBIT roundup* to send those daily pennies directly to the Displacement Fund – it's a quick and easy change staff can make for you. When you want it to stop the daily transfer, it's again simple change.

The Ukrainian Credit Union Displacement Fund directs support to mitigate both short and long-term impacts to Ukraine's credit union system and those that look to it for support including employees and members. The fund provides financial support for food, medical and other vital supplies directly to Ukraine's credit unions and their members where it's needed most.

Call, email, or come into the credit union to have staff put your money directly towards this humanitarian effort.

Together we really do make HUGE differences in people's lives.

THANK YOU for your generosity!!
